Business counts on LegalShield

More than 47,000 small business members use the legal plan because they know hiring an attorney can be expensive, and DIY legal isn't always that helpful. LegalShield's Small Business Legal Plans remove the cost barrier and give you access to a provider law firm for an affordable monthly fee. With LegalShield you are not alone. Three levels of coverage are available.

Definitively Different.

Proprietary Nationwide Network of Provider Law Firms.

Your provider law firm is part of the LegalShield network of carefully selected, top-quality law firms. Each law firm is licensed in your state and dedicated to LegalShield Members.

Superior Service. Our provider law firms are paid in advance on a per capita basis, ensuring they are motivated to focus on providing good service to you, not on billing you.

Quality Assurance. Our proprietary system provides daily, real-time, online monitoring of our provider law firms, which enables continuous improvement of quality service.

Unique Service. Our members only have to make one call to be connected with a lawyer, ensuring they know exactly who to call when a legal need arises.

The Facts:

More than 13 million, or nearly 60%, of all small businesses have experienced significant legal events in the past two years.

For small businesses that subscribe to a legal plan, 100% report they are satisfied with the services they receive.
